To,

**Shri Narendra Modi Ji**

**Hon'ble Prime Minister of India**

**New Delhi**

**Subject: Invitation to visit Dandbose (Birthplace) and Kapiburu (Samadhi Sthal) of Guru Gomkey Pandit Raghunath Murmu during your upcoming visit to Rairangpur.**

**Respected Pradhan Mantri Ji,  
Namaskar.**

We extend our warmest greetings to you on behalf of the family of Guru Gomkey Pandit Raghunath Murmu and the Guru Gomkey Pandit Raghunath Murmu Heritage Trust.

We are absolutely thrilled and deeply honored to learn about your upcoming visit to Rairangpur, Odisha. Your presence in this historic region brings immense joy to the entire tribal community, particularly the Santhali people.

As you travel through Mayurbhanj—the land that gave India its first tribal President, Smt. Droupadi Murmu—we humbly request you to take a brief detour to visit two of the most sacred landmarks of tribal identity, culture, and literacy, located right here in the vicinity of Rairangpur:

**Dandbose Village:** The sacred birthplace where Pandit Raghunath Murmu was born in 1905.

**Kapiburu :** Where he spent his days in deep meditation and spiritual seeking, and in that sacred silence he conceived the Ol Chiki script — a gift that gave the Santali people their own written voice.

Pandit Raghunath Murmu, lovingly revered across the nation as **Guru Gomkey** revolutionized tribal education by inventing the **Ol Chiki** script in 1925. His lifelong dedication gave a distinct voice, script, and literature to millions of Santhali people, eventually leading to the inclusion of the Santhali language in the 8<sup>th</sup> Schedule of the Indian Constitution.

A Deeply Sentimental Prayer from Our Hearts With the utmost humility, reverence, and folded hands, we place a deeply emotional request before your kind self. We are currently passing through the Centenary Year (100<sup>th</sup> Anniversary) of the invention of the Ol Chiki script, making this an incredibly monumental milestone for our people.

It would be a matter of boundless emotion and immense pride for the entire Santhal community if you could also kindly accompany Mahamahim Rashtrapati Smt. Droupadi Murmu Ji to these holy sites. Rashtrapati Ji is the daughter of this very soil, and having the two highest leaders of our great nation come together to seek the sacred blessings of Guru Gomke—whom the entire Santhal community deeply reveres as their ultimate guiding light—would make this visit profoundly historic and unforgettable.

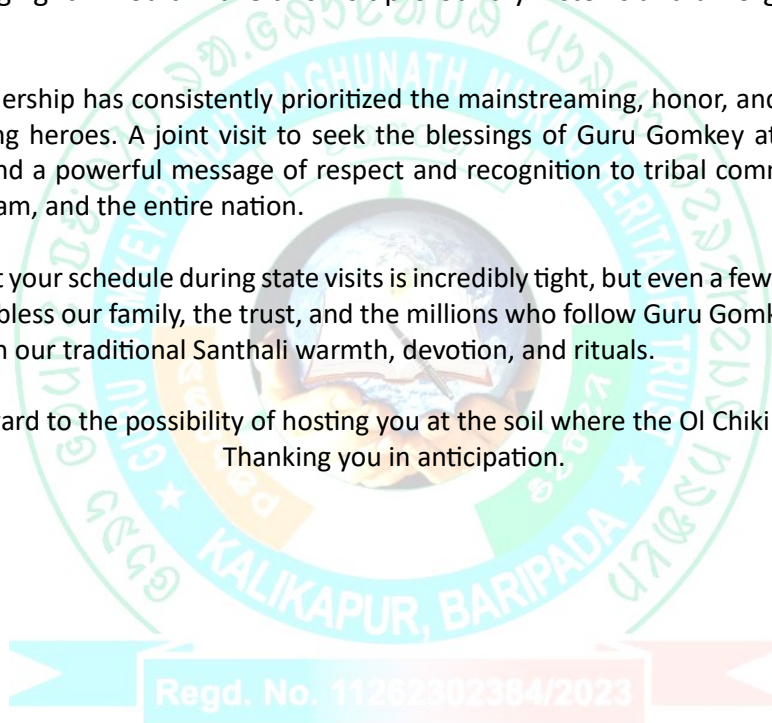

Your visionary leadership has consistently prioritized the mainstreaming, honor, and celebration of India's rich tribal heritage and unsung heroes. A joint visit to seek the blessings of Guru Gomke at his birthplace during this centenary year would send a powerful message of respect and recognition to tribal communities across Jharkhand, Odisha, West Bengal, Assam, and the entire nation.

We understand that your schedule during state visits is incredibly tight, but even a few moments of your presence at these holy sites would bless our family, the trust, and the millions who follow Guru Gomke's *legacy*. We stand ready to welcome you both with our traditional Santhali warmth, devotion, and rituals.

We look forward to the possibility of hosting you at the soil where the Ol Chiki script was born.

Thanking you in anticipation.

Yours respectfully
